Dear Pre-Paid Independent Sales Associate:

I have stated many times that, as a lawyer, I know the value of Pre-Paid Legal Services' Life Events Legal Plan - it simply is the best in the marketplace. The Life Events Legal Plan opens doors to the courthouse, to attorney's offices and makes access to quality and affordable legal services available to everyone. Pre-Paid Legal Services has more than 34 years of proven success delivering unique products and services.

Unfortunately, success often comes with critics and critics do not always tell the truth, or even rely on truth. Don't believe everything you hear or read. Instead, look at the real facts from a company with a track record of success. I encourage you to take a look at [www.prepaidlegal.com](http://www.prepaidlegal.com) and read the countless member letters praising the service. Additionally, please feel free to view the annual filings with the U.S. Securities and Exchange Commission at [www.sec.gov](http://www.sec.gov) which proves the company's strong financial footing for the future and more than 13 years of continued growth.

Your company's Advisory Council is unique. Few, if any, other companies have three former Attorneys General advising them and supporting its efforts.

Pre-Paid Legal Services offers a unique product and allows associates, like you, the opportunity to make a living while making a difference.

Best regards,
